Guide for the Personal Statement
For Admission to the Master of Sports Science Degree

The United States Sports Academy accepts students regardless of race, religion, gender, age, disability, or national origin.
Introduction

Since the United States Sports Academy relies on a qualitative metric for admission, the critical entrance requirement for those wishing to enter the Academy’s Master of Sports Science (M.S.S.) program is the written Personal Statement.

This guide is designed to assist applicants in preparing a statement that will indicate an ability to complete graduate-level studies in the Academy’s Master’s Degree Program. It outlines appropriate types of content for the essay, and also serves as a guide for format and style.

The Personal Statement is also an integral part of the Portfolio evaluation process and lays the framework for both the analytical presentation of goals and the closing document of the Portfolio, the Summative Narrative.

The Personal Statement for admissions is a comprehensive narrative presenting:
1. the applicant’s autobiography
2. the applicant’s career plans
3. the applicant’s goals in pursuing a master’s degree at the Academy.

The Personal Statement is evaluated in terms of its content, which reflects requisite qualities and abilities including:
- motivation, maturity, judgment, and creativity
- possession of sound personal and professional objectives
- awareness of intellectual strengths as well as skills needing development
- ability to express concepts and communicate meaning in concise writing
- proficiency with standard written English.

Format

The Personal Statement must be written in the following format:

1. **Title page** (See example in Appendix B)

2. **Narrative**, which must contain:

   2.1. **Biographical Component**
   Earlier learning experiences, both formal and informal, should be described in a concise, yet comprehensive narrative. The nature and general outcome of all prior study, for example, sports management related work experience, and participation in scholarly research, if any, should be presented.
2.2. Career Plans Component
The need for master’s level education should be explained in terms of career goals in the applicant’s selected degree program. This component should specify how master’s study, in conjunction with background and interests, will further those goals.

2.3. Goals in Pursuing a Master’s Degree
This part of the Personal Statement should briefly discuss why applicants wish to enroll in master’s study at the United States Sports Academy, including, but not limited to:

a. reasons for selecting the Academy program
b. how master’s study may reflect, and may affect, personal and professional growth, interests, concerns, and choices
c. particular goals anticipated to be achieved through completion of the master’s curriculum
d. proposed specific topics of interest and research an applicant wishes to pursue.

The essay must be double-spaced and typewritten in Times New Roman 12-point font.

In all matters of style and format not addressed in this guide, the Academy has adopted The Publication Manual of the American Psychological Association (APA) as the accepted style guide in the preparation of academic papers. The Academy always uses the most current edition of the Manual. Applicants may access the Manual at the APA website: www.apastyle.org.

Rubric Assessment

The assessment relies upon the Rubric for the Personal Statement for Admission established by the United States Sports Academy. See Appendix A for rubric assessment.
