

SOUTH FLORIDA PGA JUNIOR GOLF / SECTION PROFESSIONAL TOURNAMENT OPERATIONS INTERNSHIP OPPORTUNITY

The PGA of America is the largest working sports organization in the world with over 27,000 members and apprentices and over 400 staff members throughout the country. As “experts in the game and business of golf,” the purpose of the PGA is to promote the enjoyment of and involvement in the game of golf, and to contribute to its growth by serving millions of people throughout its 41 Sections nationwide.

The South Florida Section of the PGA of America is an association of golf professionals whose mission is to promote interest, participation and enjoyment in the game of golf; establish and maintain professional standards or practice; and enhance the well-being of golf professionals.

Approximately 1,800 members and apprentices are employed at over 425 facilities in the South Florida region, currently ranking South Florida Section the third largest Section of PGA Professionals amongst all 41 PGA Sections in the United States.

The South Florida PGA also conducts a very successful junior golf program which falls under the umbrella of the South Florida PGA Foundation. Junior golf programming includes the SFPGA Junior Championship, Challenge and Prep Tours in addition to Team Golf. The Junior Championship Tour and Junior Challenge Tour are two premiere membership-based junior golf programs providing competitive and fun tournament experiences for golfers with the aspirations and skill levels to compete at the high school and collegiate levels. Both tours encompass an eleven-month season of tournament golf played on championship golf courses.

The Prep Tour provides junior golfers with ten 18 hole events to gain more competitive playing experience before moving up to the Challenge Tour. This tour is open to golfers ages 9-18.

Team Golf is for junior golfers ages 6-14 with beginning level golf experience and offers an introduction to tournament play through 9-hole team stroke play competition. Team Golf serves as a fun, social, less stressful approach to tournament golf, and provides junior golfers with knowledge and skills that set the stage for a lifetime of golf enjoyment.
